

ABINAL, JAMIL KHARIM C.

DIPLOMA IN COMPUTER ENGINEERING TECHNOLOGY

☎ 09759601930 | ✉ jamilkharim27@gmail.com | 📍 Loma Biñan City, Laguna

CHARACTER REFERENCES ENGR. KRIS ROMMEL R. RAMOS • Designation: Faculty • School: Polytechnic University of the Philippines - Binan Campus • Email: krrramos@pup.edu.ph • Contact Number: 09323622081	PROFILE SUMMARY Computer Engineering Technology student with hands-on experience in software development, circuit logic, and mechatronics. Proven ability to bridge hardware and software systems, backed by technical certifications in networking and mechatronics servicing. Driven to apply strong troubleshooting skills and automated design knowledge to technical support or systems engineering roles.
EDUCATION 2024 - PRESENT POLYTECHNIC UNIVERSITY OF THE PHILIPPINES - BIÑAN CAMPUS • Second - Year Diploma in Computer Engineering Technology 2022- 2024 DOMINICAN COLLEGE OF SANTA ROSA • Science, Technology, Engineering, and Mathematics (STEM)	WORK EXPERIENCE Your Office Crunch Inc.2026 - 2026 Administrative Associate / Assistant • Managed confidential digital records and supported operational office workflows. • Maintained high data accuracy and assisted administrative staff with paperwork and coordination. Integrity Notary - Documentation Services2025 - 2026 Notary Assistant • Reviewed and processed legal documentations, verifying critical client information. • Ensured total compliance with operational regulations and maintained structured physical/digital filing systems.
SKILLS • Programming & Web Development: Java, Python, HTML, CSS • Engineering & Design Software: AutoCAD, Circuit Logic & Design • Hardware & IT Support: Basic Mechatronics, System Troubleshooting • Administrative Competencies: Document processing, record management, procedural compliance	SEMINARS • UI/UX in Focus: Integrating Design and Functionality June 2025 • Web Development Tools: How Computer Engineering Improves Developer Efficiency May 2025 • Celestial Designs: Crafting the Future with AutoCAD March 2025 CERTIFICATES • National Certificate II (NC II) in Mechatronics Servicing ◦ (TESDA) October 2025 • Introduction to Cybersecurity ◦ Cisco Networking Academy May 2026 • Networking Basics ◦ Cisco Networking Academy January 2026
